## **2009 Workshop with John English**

*Photographer from Abilene, Texas, and Juror for the 2009 WTPSL Photography Show*

Mr. English's topic will be "Landscape Photography". He will cover composition, subject matter and planning a photo trip, use of color, angle of view, leading lines, quality of light, use of white balance (digital) and how it affects the scene, RAW conversion and many other aspects of "creating" an image. A part of the presentation will be a segment on Digital B&W Infrared Landscape Photography as well as the equipment he uses. If time permits HDR (High Dynamic Range) will also be discussed

Mr. English will also be available at the end of the session to review photographs of attendees, up to 3 per person. Please bring your work on CD or other portable electronic medium so that all attendees can see the projected image.
